

## **Make My Run User Guide**

Make My Run is an application for modern, healthy user who no longer can find inspiring routes in the city where he or she lives. Make My Run allows the user to generate a route based on the location of the user, providing mixture and variation into his or her workout routine.

### **What you can do**

- You can generate a route which is displayed on a map by pressing the “Generate Run” button
- Start running a route by pressing the “Run” button
- You can stop the current running session by pressing the “Stop” button

### **What you cannot do**

- Save the results of your run
- Pause the run
